

Third Grade Track 2 Weekly News

March 13, 2020

Edition: 24

What will we be learning?

Upcoming Events:

#engagedinthewaves

We had a wonderful week 24! Here are some highlights in each subject area:

Reading & Writing: We finished our final book review copies on Peter Pan. We created a Flipgrid with our partner and had wonderful discussions in class!

*Ask your child to share his/her partner's thoughts on Peter Pan. Would they recommend to a friend or recommend to a friend with cautions?

Math: We continued our unit on fractions.

*Ask your child to share the definition of a numerator and denominator.

*It is still very important that your child is practicing multiplication facts at home. *It may be helpful to purchase multiplication flash cards. (They're a fun and easy way to practice, even in the car and on the go!)

Science/SS: In science, we continued to learn about our solar system. In social studies, we continued our unit on economics.

Important Information from SCES

Wow what a crazy week! I am hoping that we are able to continue learning! Please take note that student-led conferences, the spring carnival, and the Old Salem field trip have been canceled.

***SSA Information Single Subject Acceleration (SSA)** is the practice of assigning a student to a higher-grade level than is typical, given the student's age, for the purpose of providing access to appropriately challenging learning opportunities in either math or English/language arts. Parents who would like their students to skip a grade level of content in either ELA OR mathematics can request testing for one area. The 2020 SSA Testing Request Windows are as follows: Track 1 February 24-28, Tracks 2, 3, 4 March 23-27 Testing Requests can only be accepted during these windows. More information can be found at <https://www.wcpss.net/Page/3799>

***Media Center:** Our media center is always in need of volunteers! We would love help shelving and checking in/out books. If you are interested in being one of our weekly volunteers, please email Andrea Lyons at alyons@wcpss.net. Thank you!

***Super Crocs Day:** May 1st with a rain date of May 4th
